

*The power to do
business from*
ANYWHERE

Needs support that
keeps you working
everywhere.

Mad Myrna's
GCI Small Business Customer

**Wherever your small business takes you,
we're here to help keep you connected.**

With everything that's happened over the last couple years, your connections with customers, vendors and employees are more important than ever. We want to make it as easy as possible for you to get connected and stay connected.

If you ever have an issue with your small business internet or mobile, or simply want to review your account to make the most of your service, the GCI small business team is standing by to help.

Reach out to get priority support for your small business:
